Report Date: 04/07/2014

Narrative - Continued

Upon arrival, I made contact with Michael who provided me with paperwork wherein the bank was claiming ownership of the property at 8039 Boca Ciega Drive. Michael advised he wished to have the current squatters removed from the premises.

I informed Michael should this location be the actual residence of the two individuals he wished to have removed then the bank would have to start proceedings for an eviction process.

Sgt. Skaggs and I responded to 8039 Boca Ciega Drive, where I made contact with the two subjects, identified as James Hebin and Lisa McDonald. James advised they are in litigation process reference this residence and have had power in their names for this location for several years.

James provided me with Lisa's Attorney's name, Joseph Perlman.

I forwarded this information to Michael and advised him the bank would have to evict these two subjects.

Disposition: Case closed solved non criminal
